As Excavation Permits and Building Permits cannot be issued until the Site Plan has been received and final approval given by the City Engineer, we recommend that the Site Plan be submitted at your earliest convenience. A copy must be submitted to the City Engineer for review and approval at least ten (10) calendar days prior to the application for an Excavation Permit. The City of Bismarck accepts no responsibility for any losses, incurred costs, or damages of any kind by approval or disapproval of a Site Plan.
