CenCom

Mandan Bismarck Burleigh

Due to ongoing public health concerns related to COVID-19, the City of Bismarck is encouraging citizens to participate remotely. Please provide your e-mail address and contact information to amoseman@bismarcknd.gov at least one business day before the meeting. A link to watch the meeting on Microsoft Teams will be sent to your email. Agenda items can be found at www.bismarcknd.gov/agendacenter. After the meeting is concluded, a recording will be available at www.bismarcknd.gov/agendacenter.

The physical meeting room will be open to the public, but we certainly understand the public wishing to limit their exposure at this time, while still participating in government. Before entering the City-County Office Building, all individuals will be screened for COVID-19 symptoms or potential exposure. If unable to pass the screening protocol, they will be requested to participate in the meeting remotely, for the public's safety.
