ITEM: 30" High Folding Chair

REQUEST

Please place on the December 27 Commission agenda the request to purchase (140) 30" high folding chairs with a 3" padded seat and ganging brackets along with (4) stacking chair storage carts.

BACKGROUND INFORMATION

Quotes were requested from various companies but only one (Spec Seats) had a 30" high padded folding chair. Their quote of \$19,810 is attached for (140) chairs plus (4) storage units.

The chairs are needed for the floor boxes with the indoor football team. Our contract with the team states we will provide and they will pay back \$5 per game per chair for the term of the contract. The contract with the team is for 5 years plus two option years.

We will own the chairs which will allow us the opportunity to use the chairs in other areas of the complex as needed.

RECOMMENDED CITY COMMISSION ACTION

Award the quote received from Spec Seats for \$19,810.
