BACKGROUND INFORMATION

Officer Joe Petersen has researched and contacted a die cast collectible company, Corydon Collectibles, to produce an order of Bismarck Police Department die cast (1/24 scale) collectible police cars. These cars will be similar to the attached photos of the Bismarck PD squad cars. BPD has done this in the past with various die cast companies. The orders for these cars will be on an individual basis and there will be no purchasing or cost on behalf of the BPD/city.

Subject: BPD Die Cast Cars

I am asking for approval from the City of Bismarck Commission to release the right for Corydon Collectibles to use the Bismarck Police Department name, patch, and squad car decals. I am currently working with Corydon Collectibles to make 8" die cast cars of the BPD squad cars. The die cast cars will be open to all city employees.

Thanks,

Officer Joe Petersen #331
