This site authorization was originally approved by the Board at their June 14th meeting. An error was identified by the ND Attorney General's Office on the application that CVB which required a correction. The application incorrectly listed two 21/blackjack tables proposed for the site; the correct number of 21/blackjack tables is three.

- Approval by the city to assign the Quick Turn Around (QTA) Sublease between BIS QTA, LLC, and Twin City Tire to Five Star Car Rental, Inc.

The first two items are related. Twin City Tire Company has sold its rental car business to Five Star Car Rental, Inc., contingent upon approval of assignments by the city of Bismarck. Twin City Tire has asked the city to approve the Concession Agreement assignment and QTA Sublease assignment. Five Star operates airport car rental concessions at Rapid City Regional Airport and Sioux Falls Regional Airport. Staff has conducted due diligence checks. Five Star appears to be professionally qualified to do business, and possesses sufficient financial resources to assure compliance with the

terms and conditions of the concession agreement and the QTA sublease. The city attorney has reviewed the assignment agreements. Staff recommends the Board approved the Concession Agreement assignment and the QTA Sublease assignment.

The 11 year old scissor lift has been replaced with a more capable lift that will reach higher inside the commercial terminal.

Recent situations have been brought to our attention as reminders of the need to clarify when it is appropriate and allowable to use city department funds for employee retirement celebrations.

Pepper Entertainment is a promoter out of Sioux Falls which has done a lot of shows in that market and is looking to expand. Commissioner Askvig requested to pull Item K1 from Consent Agenda. Commissioner Guy made a motion to approve the remaining items on the consent agenda. Commissioner Askvig seconded the motion. Upon roll call, the commissioners voted as follows: Ayes: Commissioners Askvig, Guy, Oban, Marquardt and President Seminary. Nays: None, the motion carried.

Item #2K1 – Consider request from the Engineering Department for approval of the selection of two different firms who submitted quotes to the city for staff to use for material testing services as it relates to city excavation and concrete permits.

Commissioner Askvig said he doesn't have any problems with this item but wanted to highlight this. Our new city engineer, Gabe Schell, is jumping in full force and the city is going to be implementing some regulations that were going to be pretty cumbersome. He asked Gabe Schell to look at it a little closer and see if he could come up with something that is less cumbersome. He thinks Mr. Schell has done a great job of that and found a way to meet the needs of the city so that when we trench through right of way, it gets compacted correctly, but ensure that it doesn't slow down those doing the work and doesn't incur them unnecessary costs in some aspects.

The city requested quotes from material testing firms to provide services to conduct concrete testing, soil density and compaction testing in the right-of-way, as it relates to city excavation permits and concrete permits.

The city received four quotes on June 14. Given the anticipated need for this construction season, the following are the projected contract costs based on the rate and fee schedules submitted:

NTI, Northern Technologies	\$13,830
GeoServ, Inc.	\$16,200
Braun Intertec Corporation	\$21,810
Terracon Consultants, Inc.	\$21,850

This work would be funded through the Engineering Department and is included in the current budget. Staff recommends approving the selection of NTI and GeoServ to provide services based on availability and cost.

Commissioner Askvig made a motion to approve item #2K1. Commissioner Marquardt seconded the motion. Upon roll call, the commissioners voted as follows: Ayes: Commissioners Askvig, Guy, Oban, Marquardt and President Seminary. Nays: None, the motion carried.

ORDINANCE NO. 6215

AN ORDINANCE TO AMEND AND RE-ENACT SECTION 14-03-02 OF THE 1986 CODE OF ORDINANCES, OF THE CITY OF BISMARCK, NORTH DAKOTA, AS AMENDED, RELATING TO THE BOUNDARIES OF ZONING DISTRICTS.

BE IT ORDAINED BY THE BOARD OF CITY COMMISSIONERS OF BISMARCK, NORTH DAKOTA:

Kim Lee, Planning Manager, appeared before the Board. She said this property is located in northwest Bismarck, along the northwest side of Nelson Drive, between Normandy Street and Coleman Street, and south of 43rd Avenue NE. The proposal includes four lots on 1.35 acres. This rezone would allow these lots to be developed as single-family or two-family dwellings.

The Planning & Zoning Commission held a public hearing on the zoning change request on May 25, 2016. At the conclusion of the public hearing, and based on the finding contained in the staff report, recommended approval of the zoning change from the R5

– Residential zoning district to the R10 – Residential zoning district for Lots 1-4, Block 1, Gary Nelson Addition.

President Seminary asked if there were any protests at the Planning and Zoning meeting. Ms. Lee said no members of the public spoke at that public hearing however a neighboring property owner expressed concerns by telephone prior to the meeting. He felt they hadn't properly marketed the properties as R5 before they came back and asked for it to be made R10. President Seminary asked if it passed unanimously. Mr. Lee said yes it did.

There were no oral or written protests.

Commissioner Askvig made a motion to adopt Ordinance 6215. Commissioner Guy seconded the motion. Upon roll call, the commissioners voted as follows: Ayes: Commissioners Askvig, Guy, Oban, Marquardt and President Seminary. Nays: None, the motion carried.

4. The President of the Board of City Commissioners announced the hour had arrived for the PUBLIC HEARING on Ordinance 6216 relating to a zoning change from A-Agriculture, RR-Residential and R5-Residential districts to the P-Public zoning district for various lots and tracts in south Bismarck and the city's extraterritorial area - Phase 6 of 6, initiated by city of Bismarck. Bismarck Planning and Zoning Commission recommends approval.

ORDINANCE NO. 6216

AN ORDINANCE TO AMEND AND RE-ENACT SECTION 14-03-02 OF THE 1986 CODE OF ORDINANCES, OF THE CITY OF BISMARCK, NORTH DAKOTA, AS AMENDED, RELATING TO THE BOUNDARIES OF ZONING DISTRICTS.

BE IT ORDAINED BY THE BOARD OF CITY COMMISSIONERS OF BISMARCK, NORTH DAKOTA:

Kim Lee, Planning Manager, appeared before the Board. She said this is the sixth and final phase of the P – Public zoning changes they've done around the community. These are located in the south part of Bismarck and also located south of the current corporate limits within the city's extraterritorial area. There is also one parcel in the Northern Plains Commerce Centre (NPCC). Ms. Lee said there are eight tracts total on 108.73 acres. The request would rezone public-owned property that will be continued to be used for public purposes to the P – Public zoning district.

The Planning & Zoning Commission held a public hearing on the zoning change request on May 25, 2016. No members of the public spoke at that public hearing. At the conclusion of the public hearing, and based on the finding contained in the staff report, recommended approval of the zoning change from the A – Agricultural, RR –

Residential MA – Industrial and R5 – Residential zoning districts to the P – Public zoning district for various publicly-owned lots and tracts in south Bismarck and the ETA.

There were no oral or written protests.

Commissioner Askvig made a motion to adopt Ordinance 6216. Commissioner Guy seconded the motion. Upon roll call, the commissioners voted as follows: Ayes: Commissioners Askvig, Guy, Oban, Marquardt and President Seminary. Nays: None, the motion carried.

5. The Board of City Commissioners considered the request of The Starving Rooster, LLC, for designation of the lease of 3,350 square feet of space in the building at 512 East Main Avenue as a Renaissance Zone project. The property is owned by Gulch Holdings II, LLC, and is legally described as Lots 11-12, Block 46, Original Plat. Renaissance Zone Authority recommends approval.

Kim Lee, Planning Manager, appeared before the Board. Ms. Lee said this is for the other half of the building that Terra Nomad is located in. The request would support the build out of a currently vacant space for a restaurant. The space is within a previously rehabilitated building that has been designated as a Renaissance Zone project. However, the applicant has indicated that approximately \$600,000 would be spent on the build-out of the space.

The Renaissance Zone Authority held a public hearing on Tuesday, June 21, 2016, and based on the findings contained in the staff report, recommended approval of the designation of lease of 3,350 square feet at 512 East Main Avenue by The Starving Rooster, as a Renaissance Zone project, with an exemption from state tax on income derived from the business location for five years, beginning with the date of occupancy.

President Seminary asked who owns Gulch Holdings. Ms. Lee said Gulch Holdings II owns this building and Gulch Holdings I owns the building next to it. She believes that Dr. Rick Becker is the registered agent for Gulch Holdings II, LLC.

Commissioner Askvig made a motion to approve the request. Commissioner Guy seconded the motion. Upon roll call, the commissioners voted as follows: Ayes: Commissioners Askvig, Guy, Oban, Marquardt and President Seminary. Nays: None, the motion carried.
