RESCUED ANIMAL!

THINGS TO THINK ABOUT!

With the warm weather upon us don't forget your four footed friends!

You don't think about it because you have shoes on. So when you are in the parking lot chatting with a friend or loading bags, and your dog is pulling and jumping, don't scold him, his paws are **BURNING** up! Goes for crossing the street too. Let your dog walk on grass if possible.

PLEASE SHARE TO HELP ALL OUR FURRY FRIENDS!

**Be sure they have access to adequate shelter, food and water!!*

**When walking your pal or having them outside, don't forget they can get heat stroke and burn the pads of the paws on hot pavement*

**Leaving your pets in a vehicle for a short period of time, even with the windows open, can be deadly for the animal!!!*

**And always vaccinate your animals, it's a small price to pay to keep your pets healthy!*

70° IS TOO HOT to leave a dog in the car

Think this picture is cute?

Look closely.

Remember not every dog or cat is use to being approached by people, children, or other animals use caution and ask the owner if you can pet their animal. Never allow a child to run up and grab a dog or cat. **AVOID BEING BIT!!*

Reminder: diligent pet owners not only have a city license, but they also are sure to have their pet wearing it!! (This tag will allow us to get lost pets home MUCH faster and saves you money too!)
