

Mosquito Fogging Schedule

Mosquitoes are most active at sunrise and sunset. It is for this reason that fogging typically occurs between the hours of 5:00am and 7:00am, when weather conditions are favorable. Special events may be added to the fogging schedule.

Monday

- Pebble Creek Golf Course/Scheels Baseball Complex
- Missouri Valley Fairgrounds
- Tatley Ball Park
- Hillside Park
- Wastewater Treatment Plant
- Wachter Drainage Path
- Solheim to Neuens Horse Arena
- Sleepy Hollow Park

Tuesday

- Riverwood Golf Course
- Clem Kelly Softball Diamonds
- Sertoma Park
- Cottonwood Complex (softball, walking path, soccer fields)
- Hay Creek Walking Path
- Burleigh Avenue Walking Path
- Pioneer Park

Wednesday

- Optimist Park
- McQuade's Softball Fields
- Kiwanis Park
- Zonta Park
- Igoe Park
- Municipal Ball Park
