

Public Information Meeting Notice – Update to the City of Bismarck Storm Water Design Standards Manual

Notice is hereby given that the City of Bismarck will hold a public informational meeting on **Thursday, August, 4 2016 at 5:30 p.m., Bismarck Public Works Building, 601 South 26th Street, Bismarck, North Dakota** on the following topics:

- Findings of the Review of 14.1 of the City's Ordinances and the City's Small Municipal Separate Storm Sewer (MS4) Permit
- Potential revisions to permitting thresholds and procedural modifications for processing stormwater permits.

At the informational meeting, the project team will provide an overview and the objectives of the project, findings and recommendations, potential revisions, and anticipated next steps. Please note that the intent of this meeting is to gather feedback on the proposed revisions. Documents providing additional detail will be available on the City's website, www.bismarcknd.gov/index.aspx?NID=1603, prior to the meeting or by contacting one of the individuals below. Please direct all inquiries regarding this project to:
