We sincerely hope that this designation will continue to enhance the community and economic development efforts in the zone, which can lead to a revitalization of both residential and commercial properties.

Attached is a copy of the updated Renaissance Zone Memorandum of Agreement and a copy of the map indicating boundaries of the zone. The MOA is effective August 1, 2017 through July 31, 2022.

**RENAISSANCE ZONE
MEMORANDUM OF AGREEMENT**

Between
The North Dakota Division of Community Services
and
The City of Bismarck

This Memorandum of Agreement between the North Dakota Division of Community Services (DCS) and the City of Bismarck, effective August 1, 2017, continues a Renaissance Zone for the City (see attached map) pursuant to N.D.C.C. ch. 40-63, for a period that expires August 1, 2022. The Renaissance Zone Program Guidelines and the City's Development Plan as submitted and approved by DCS are binding as if those items were set out at length in this Memorandum of Agreement.

The City agrees that it will fulfill its responsibilities under the Renaissance Zone Program Guidelines. The City further agrees that it will follow its Development Plan as submitted to DCS, that it will provide all requested information to DCS, and that it will meet its obligations under N.D.C.C. ch. 40-63. If the City does not fulfill these requirements, or if the City fails to make adequate progress after the DCS provides 90 days written notice that its progress has been inadequate, then DCS may take action against the City. This action may include canceling Renaissance Zone approval for future projects as outlined in Part X, Paragraph 16, of the Program Guidelines.

If N.D.C.C. ch. 40-63 is amended or repealed by the Legislative Assembly, all changes will apply to the Renaissance zone or to this Memorandum of Agreement automatically on the effective date of the legislation. Any changes to the Development Plan, or to any other matter, required by any legislative changes, must be made in writing signed by both parties. The failure of the parties to agree to any changes required by legislation before the effective date of the legislation will automatically terminate Renaissance Zone approval without further action by DCS, unless DCS waives the termination in writing. Any project or investment completed before the effective date of any legislative changes is grandfathered under the prior law unless the new law requires otherwise.
