Please indicate which condition has been met before submitting the NOT.

The site has achieved final stabilization. In order to achieve final stabilization, one of the following conditions must be met. Please indicate which condition has been met.

- All soil disturbing activities are complete and all soils are stabilized by a uniform perennial vegetative cover with a density of 70 percent over the entire pervious surface area or other equivalent means necessary to prevent soil failure under erosive conditions. In addition, the following conditions have been met:
  - i. All drainage ditches which drain water from the site have been stabilized.
  - ii. All temporary synthetic and structural erosion prevention and sediment controls (e.g., silt fence) have been removed.
  - iii. Sediment has been removed from conveyances and temporary sediment basins used for permanent water quality management, and the sediment has been stabilized.
- For areas with an average annual rainfall of less than 20 inches, all soil disturbing activities at the site have been completed and temporary erosion control measures have been selected, designed and installed along with the appropriate seed base to provided erosion control for three years and achieve 70 percent vegetative coverage within three years without active maintenance.
- For soil disturbing activities on agricultural land, the land is returned to its pre-disturbance agricultural use. Areas not used for agricultural activities such as buffer strips adjacent to waters of the state and areas not being returned to pre-disturbance agricultural use must meet the criteria above.

Another operator/permittee has assumed control in accordance with the transfer provision over all areas of the site that have not achieved final stabilization.

For residential construction, all lots have been sold with temporary erosion protection and down gradient perimeter controls installed; a homeowner fact sheet has been given to the homeowner(s); and all other lots have achieved final stabilization. \*\*\*A notice of transfer is necessary with new owner's contact information.
