MINUTES

The minutes of the April 13, 2023 meeting were distributed prior to the meeting.

MOTION: A motion was made by Mr. Zenker and seconded by Mr. Fink to approve the minutes of the April 13, 2023 meeting. The motion passed unanimously by voice vote with members Dvorak, Fink, Gawrylow, Zenker and Chair Christianson voting in favor.

**DOWNTOWN DESIGN REVIEW – 515 NORTH 5TH STREET
BISMARCK VETERANS MEMORIAL PUBLIC LIBRARY – FREESTANDING SIGN**

Mr. Nairn gave an overview of the staff report and stated that the applicant, Bismarck Veterans Memorial Public Library, is requesting Downtown Design Review approval of a freestanding sign at 515 North 5th Street. He directed all present to sign images and renderings to show the proposed location facing East Avenue A in front of the library, south of the entrance doors, after considering an underground tank present in the original location. He stated that the design elements feature the library logo and an artistic expression of books emerging from the logo in sculptural form. Mr. Nairn explained that the request does not meet clearly defined parameters of a monument sign or pole sign due to its height and does not meet parameters for public art due to its commercial logo imagery and so was brought to Authority members for consideration.

Mr. Nairn noted that the proposal meets guidelines in several ways, as noted in the staff report.

Mr. Nairn stated that, based on the findings contained in the staff report, staff recommends approval of the proposed sign design for 515 North 5th Street as presented in all submitted documents and materials, with the condition that any substantive revisions to the approved design must be reconsidered by the Downtown Design Review Committee prior to implementation.

Mr. Fink asked if the sign meets allowable square-footage for both pole and monument signs and if the proposed sign is included in the ordinance as a listed allowable sign type. Mr. Nairn stated that it does meet size requirements and is not specifically mentioned in the ordinance but that members are permitted to accept designs not specifically deemed inappropriate in the guidelines.

Mr. Fink asked if the applicant could elaborate on the design and use of the design. Ms. Kujawa stated that there are instances when the library staff only uses the graphic and described that while the design is abstract the design visually represents and evolves into books using the strong coloring of the logo design.

There was a discussion including concerns about safety and public use of the proposed sign and the semi-private area it would create.

Mr. Fink asked how thick the proposed sign would be. Mr. Bina stated that the main body is 18 inches thick and the book images appearing to float out of the main image are 2 inches thick.

MOTION: A motion was made by Mr. Zenker and seconded by Ms. Dvorak to approve the proposed design for 515 North 5th Street as presented in all submitted documents and materials, with condition that any substantive revisions to the approved design must be reconsidered by the Downtown Design Review Committee prior to implementation. The motion failed with members Zenker and Chair Christianson voting in favor and members Dvorak, Fink and Gawrylow voting against.

Chair Christianson asked members what would have allowed them to vote for the project. Mr. Fink stated that if it were on the side of the building and not on the ground, he would have been able to support the request and suggested to the applicant that they could appeal to the City Commission. Ms. Dvorak cited safety concerns due to the positioning of the proposed sign. Mr. Gawrylow stated that Ms. Dvorak and Mr. Fink's concerns were convincing.

Members suggested that Chair Christianson go to City Commission to answer any questions if the applicant does appeal the decision.

Chair Christianson asked if Design Advisors had any statements. Mr. Witham stated that design guidelines are not written to be exclusive of allowable uses, nor to include every variable but rather to guide standards. He stated that the board exists to make reasonable adaptations based on intent. He stated that he had no problem with the design.

MEMORANDUM

REAUTHORIZATION OF BISMARCK RENAISSANCE ZONE PROGRAM

TO: Chairman Jim Christianson, Renaissance Zone Authority

FROM: Daniel Nairn, AICP, Planning Manager

DATE: June 27, 2023

The purpose of this memo is to update the Renaissance Zone Authority on the status of seeking renewal of Bismarck's Renaissance Zone program. The Bismarck City Commission voted on April 25, 2023 to direct staff to seek renewal of Bismarck's Renaissance Zone program, utilizing a new option to renew granted by HB1266.

The Department of Commerce affirms that the renewal of an expired Renaissance Zone Program should be reinstated as it was prior to expiration. The [Bismarck Renaissance Zone Development Plan](#) was last amended on May 12, 2022, and this is the version of the plan and program boundaries that would be effective if the program is reinstated. No changes to this plan are being sought at this time.

On June 12, 2023, the Bismarck-Mandan Chamber-EDC hosted an information meeting on Bismarck's Renaissance Zone Program for board members from the City of Bismarck, Burleigh County, Bismarck Public Schools, and Bismarck Parks and Recreation District. This meeting was open to the public. City staff received direction to approach each board with relevant information about Bismarck's program in an initial meeting, and then return for a second meeting to request support. This will allow the elected officials to receive information in advance to allow adequate consideration.

- **Bismarck Public Schools:** July 10 (Consideration) and August 7 (Decision)
- **Bismarck Parks and Recreation District:** July 20 (Consideration) and August 17 (Decision):
- **Burleigh County Commission:** July 19 (Consideration) and August 21 (Decision)

The law is expected to take effect on August 1, 2023, which is the soonest a Memorandum of Agreement could take effect. With the suggested timeline, the program could be renewed by the end of August if supported by all boards.

One question that arose in the June meeting was how the various boards could be involved in the ongoing operation of the Renaissance Zone program. Certain options may be considered:

- Updates to the Renaissance Zone Development Plan, by default, only require approval of City Commission. However, this authority could be distributed to other boards if that is their desire. If this is chosen, staff would recommend differentiating between minor changes, such as boundary adjustments and project approval criteria, and major changes to the Development Plan.
- The other political boards could be granted a seat on the Renaissance Zone Authority, either occupied by a sitting member of the board or selected by the board. Currently all positions are appointed by the City Commission.
- The boards could be given annual informational updates on the Renaissance Zone Program, with an opportunity to provide input. This is already in the Renaissance Zone Development Plan.

Staff presents this information for discussion by the Renaissance Zone Authority and will implement, as directed.
