

# Burleigh-Morton COVID-19 Task Force

## MEETING AGENDA

Friday, October 9, 2020

10:00 AM

Due to ongoing public health concerns related to COVID-19, the City of Bismarck is encouraging citizens to participate remotely. Please provide your e-mail address and contact information to [rmoch@bismarcknd.gov](mailto:rmoch@bismarcknd.gov) at least one business day before the meeting. A link to watch the meeting on Microsoft Teams will be sent to your email. Agenda items can be found at [www.bismarcknd.gov/covidtaskforce](http://www.bismarcknd.gov/covidtaskforce).

A physical meeting room will be open to the public, but we certainly understand the public wishing to limit their exposure at this time, while still participating in government. Before entering the City-County Office Building, all individuals should self-screen for COVID-19 symptoms or potential exposure. If unable to pass the screening protocol, they will be requested to participate in the meeting remotely, for the public's safety.
