Ben Ehreth, Community Development Director, addressed the Commission regarding a request by Investcore, Inc. and Silver Ranch 18, LLLP, for the annexation of parts of Silver Ranch Third Addition and Silver Ranch Fourth Addition.

Mayor Schmitz opened the public hearing.

Landon Niemiller, with Swenson Hagen & Company, appeared on behalf of the owner.

Commissioner Connelly motioned to approve Ordinance 6536 as presented, and Commissioner Zenker seconded. Upon a roll call vote, all voted, aye. M/C

5. Public hearing on Ordinance 6542, a request for the annexation of Tyler Parkway and Ash Coulee Drive roadway segments, requested by the City of Bismarck and owner Ron Knutson.

Ben Ehreth, Community Development Director, addressed the Commission regarding a request for the annexation of Tyler Parkway and Ash Coulee Drive roadway segments, requested by the City of Bismarck and owner Ron Knutson.

Mayor Schmitz opened the public hearing. No member of the public appeared for comment.

Commissioner Connelly motioned to approve Ordinance 6542 as presented, and Commissioner Marquardt seconded. Upon a roll call vote, all voted, aye. M/C

6. Consider approval of the City/County Building lease with Burleigh County.

Mayor Schmitz updated the Commission regarding the City/County Building lease with Burleigh County. The Bismarck Burleigh Commissions Committee discussed the topic at a prior meeting with general consensus amongst the members to recommend a lease rate by Burleigh County for the first floor of the City/County building and additional on-site storage at a rate of \$13 per sq/ft and an annual amount of \$194,580.75.

Commissioner Zenker motioned to approve the lease as presented, and Commissioner Cleary seconded. Upon a roll call vote, all voted, aye. M/C

7. Consider request to assign East Century Avenue Reconstruction as the next half-cent sales

tax funded project and begin preliminary engineering.

Gabe Schell, City Engineer, addressed the Commission with a presentation on the history of the voter-approved half-cent sales tax collection for the construction and reconstruction of arterial roadways. Engineer Scheel noted the half-cent sales tax was approved in 2018, with the collection of sales tax beginning in the second quarter of 2019. The half-cent sales tax is scheduled to expire ten years after implementation. Engineer Schell noted that \$35.4 million has been collected over four years, contributing to projects along 43rd Avenue and Ash Coulee Drive.

Engineer Schell requested to assign East Century Avenue Reconstruction as the next half-cent sales tax-funded project and begin preliminary engineering and design. The project would consist of full urban reconstruction from the west of Greensboro Drive to Kost Drive/Sumter Drive. It would include turn lanes, pedestrian facilities, corridor lighting, and water main extensions. Right-of-way has been dedicated for Century Avenue for the majority of the corridor except for the unplatted areas east of 52nd Street NE, where the alignment for Century Avenue and 52nd Street NE has not been finalized. Coordination with the landowner east of 52nd Street NE on the alignment, profile, and typical section of the roadway will occur as part of the right-of-way acquisition process.

This project would be 100% locally funded with no programmed federal or state funding. As such, some of the processes required by federal funding would not need to be performed. However, this roadway is a functionally classified roadway. To not jeopardize future federal funding eligibility, coordination with the North Dakota Department of Transportation (NDDOT) will occur to the degree the NDDOT desires.

Commissioner Zenker motioned to approve the request to assign East Century Avenue Reconstruction as the next half-cent sales tax-funded project and procure engineering services and approve \$600,000 budget authorization from half-cent sales tax for the preliminary engineering phase, and Commissioner Connelly seconded. Upon a roll call vote, all voted, aye. M/C.

8. Consider the request for approval of Design and Construction Manager At-Risk contracts for the City's Water Treatment Plant and Wastewater Treatment Plant.

Michelle Klose, Public Works Utility Operations Director, addressed the Commission regarding a request for approval of Design and Construction Manager At-Risk contracts for the City's Water Treatment Plant and Wastewater Treatment Plant.

Commissioner Zenker motioned to approve the contracts with PKG, Inc. and HDR Engineering, Inc. for the preconstruction design phase at the WTP and WWTP to include the following findings of fact pending legal review of all contracts related to the project:

1. To find that HDR Engineering Inc. and PKG Contracting, Inc. have no common ownership or conflict of interest with each other, nor are any other entities involved with architecture, engineering, or construction other than those two entities at this time.
2. We determine that it is in the best interest of the public to utilize the construction manager at-risk public improvement delivery method.
3. The construction manager at risk planning and design phase services will not duplicate services normally provided by an architect or engineer.
4. The construction manager at risk construction services will be in addition to and not

duplicate the services provided for in the architect and engineer contracts.

5. To authorize a contract with PKG Contracting, Inc. for preconstruction design phase CMAR services at the WTP for \$645,000.00, which includes the \$250,000.00 passthrough cost for the membrane piloting.

6. To authorize a contract with PKG Contracting, Inc. for preconstruction design phase CMAR services at the WWTP for \$105,000.00.

7. To authorize a contract with HDR Engineering, Inc. for the preconstruction design phase design services at the WTP in the amount of \$4,441,226.00.

Commissioner Cleary seconded the motion. Upon a roll call vote, all voted, aye. M/C

9. Consider the request to receive bids and award the contract for Highway Construction project HC 161 relating to offsite improvements to US 83 and 64th Avenue and request to approve the construction observation contract to KLJ Engineering, LLC. for HC 161.

Gabe Schell, City Engineer, addressed the Commission regarding a request to receive bids and award the contract for Highway Construction project HC 161 relating to offsite improvements to US 83 and 64th Avenue and request to approve the construction observation contract to KLJ Engineering, LLC. for HC 161. This project will be funded through the half-cent sales tax collection with a cost share of 60% city, and 40% will be the responsibility of Fleet Farm. The project completion date is scheduled to be April 2024, prior to the opening of Fleet Farm.

Commissioner Zenker motioned to receive bids and award the contract for Highway Construction Project HC 161 to Northern Improvement Company for \$3,197,944.45 contingent on developer pre-payment, approve the construction observation contract to KLJ, Engineering LLC for an hourly not to exceed contract of \$336,959.00 for HC 161 contingent on developer pre-payment and approve project budget for HC 161 including authorization of \$2,335,000.00 in half-cent sales tax and a 2023 budget amendment, and Commissioner Marquardt seconded. Upon a roll call vote, all voted, aye. M/C

10. Other Business

Commissioner Marquardt noted that he had been contacted with concerns relating to homelessness within the city. He remarked that the City of Bismarck Police Department is working with local service providers to develop a solution to address the increasing quantities of homeless people in the community.

Mayor Schmitz commented on the ongoing discussions at the Bismarck Burleigh Commissions Committee table relating to the 2024 Bismarck-Burleigh Public Health budget negotiations. Mayor Schmitz noted that he intends to support a shift of the financial responsibility from the city to Burleigh County so there is a more even distribution across all Burleigh County taxpayers for the services provided by Public Health.

Adjourn

There being no further business to discuss, the meeting adjourned at 6:15 PM.
