

## *Finance Department*

**DATE:** May 22, 2019  
**FROM:** Sheila Hillman, Finance Director  
**ITEM:** Approval of Purchases from State Contract

### **REQUEST**

Approve use of the State contracts to purchase software  
Please place this item on the 5/28/2019 City Commission meeting agenda.

### **BACKGROUND INFORMATION**

The 2019 Finance budget includes funding for a mobile data management (MDM) solution to secure the City mobile devices and virus and malware protection for all devices. Both solutions are on the following State contract:

#089-03 MDM - Microsoft Intune for \$61.29 per device for 175 single user  
Microsoft Intune for \$20.44 per kiosk for 20 kiosks  
Team Viewer for \$1,582.80 annual fee  
Malware – SCCM Endpoint for \$4.80 annual per device for 550 devices

Finance is requesting approval to use the State contract for the software purchases.

### **RECOMMENDED CITY COMMISSION ACTION**

Approve the use of the State contract for the software purchase for mobile data management and virus and malware protection for all devices.
