

Engineering Department

DATE: July 15, 2019
FROM: Gabe Schell, City Engineer
ITEM: Sewer Improvement District SE 574

REQUEST

Request for Resolution Receiving Petition and Enlarging District SE 574.

Please place this item on the 7/23/2019 City Commission meeting agenda.

BACKGROUND INFORMATION

Sewer Improvement District No. 574 is a project to construct local storm sewer, a detention pond and appurtenances in Silver Ranch First Addition and Silver Ranch First Addition First Replat. This district was created on June 26, 2018.

The developer has requested that the boundary be expanded as the additional lots included in his petition will receive a direct benefit from the storm sewer improvements installed under SE 574 (see attached map). The roads have not yet been constructed in the petitioned area, but when constructed will drain to Gold Drive where storm sewer was installed under SE 574.

The project is nearing completion with the final completion date in August 2019.

RECOMMENDED CITY COMMISSION ACTION

Consider request for approval of Resolution Receiving Petition and Enlarging District for SE 574.
