

## MEETING OF THE BOARD OF CITY COMMISSIONERS

September 14, 2020

On September 14, 2020, a Bismarck resident contacted members of the Bismarck City Commission, the Burleigh County Commission and the Mandan City Commission, in regards to the possibility of a mask mandate.

In response to her concerns, Commissioner Splonskowski replied to all parties in which the e-mail was sent to.

Subject: Mask mandates

## To whom it may concern,

I am writing today to express my feelings on mask mandates for Bismarck/Mandan, Burleigh/Morton counties

Masks should not be mandatory for anyone person to wear whether young or old and businesses should not be forced to mandate their patrons
