

Engineering Department

DATE: March 16, 2021
FROM: Gabe Schell, City Engineer
ITEM: Sewer Improvement District SE 578

REQUEST

Request for Resolution Declaring Petitions for Improvements Has been Received.

Request for Resolution Creating District SE 578 and Ordering Preparation of the Preliminary Report.

Request for Resolution Approving Preliminary Report and Directing Preparation of Plans and Specifications.

Please place this item on the 3/23/2021 City Commission meeting agenda.

BACKGROUND INFORMATION

Sewer Improvement District SE 578 is a project to construct a portion of a local storm sewer in street improvement district SI 550 (Cottonwood Parkview) which will serve the property in Meadow Village Addition. The properties in Meadow Village Addition will be the sole benefitting properties of this improvement. Subsequent improvements would be required at the time of development of Meadow Village Addition to extend this system within the plat boundaries in accordance with the approved stormwater master plan.

Project Schedule

Authorization to Advertise:	April 27, 2021
Receipt and Opening of Bids:	May 17, 2021
Contract Award:	May 25, 2021
