ITEM: Request to offer free disposal to Bismarck residents during Spring clean-up week

REQUEST

Request Commission approval to offer Bismarck residents free disposal April 19-24 by presenting their March 2021 Bismarck utility bill.

Please place this item on the 3/23/2021 City Commission meeting agenda.

BACKGROUND INFORMATION

Spring clean-up week will proceed as normal April 19-24, 2021. In an effort to accommodate residents who wish to utilize the landfill in lieu of curb pick-up during clean-up week, I recommend allowing Bismarck residents who present their March 2021 Bismarck utility bill, free disposal at the landfill from April 19-24, 2021. The City allowed free disposal during last year's clean-up weeks.

RECOMMENDED CITY COMMISSION ACTION

Allow free disposal at the landfill April 19-24, 2021 for Bismarck residents presenting their March 2021 Bismarck utility bill.
