

Public Works Utility Operations Department

DATE: March 15, 2021

FROM: Michelle Klose, Utility Operations Director *MK*

ITEM: Request approval to pursue grant funding from the Hazard Mitigation Grant Program for the Pioneer Lift Station Generator

REQUEST

Approval to pursue grant funding from the Hazard Mitigation Grant Program for the Pioneer Lift Station generator.

Please place this item on the 3/23/2021 City Commission meeting agenda.

BACKGROUND INFORMATION

The Hazard Mitigation Grant Program (HMGP) has grant funding available for the Pioneer Lift Station generator HMGP Project. To apply, the City must provide a commitment to meet the local matching fund requirements. The local matching fund requirement is 15%, which will be provided as cash and/or in-kind contributions, and paid upon receipt of all bills. Also, a portion of the non-federal share of the HMGP project may be contributed by the State of North Dakota. The cost of the 200-kW generator is \$150,000, with expected maintenance costs of \$700 annually. Funds for the purchase of the generator are approved in the 2021 budget.

RECOMMENDED CITY COMMISSION ACTION

Approve grant funding from the Hazard Mitigation Grant Program for the Pioneer Lift Station Generator Project.

STAFF CONTACT INFORMATION

Michelle Klose, PE | Utility Operations Director, 355-1700 or mklose@bismarcknd.gov.
I will be available at the meeting to respond to questions.
