

Engineering Department

DATE: April 13, 2021
FROM: Gabe Schell, City Engineer
ITEM: Streetlights and Traffic Signal Project No. 60

REQUEST

Receive Bids and Award Contract for Streetlights and Traffic Signal Project SV 60.

Please place this item on the 4/13/2021 City Commission meeting agenda.

BACKGROUND INFORMATION

Street Utility Project SV 60 is the Traffic Signal Upgrade Project for 2021. This project includes replacement of the traffic signal system at 19th Street and Divide Avenue. Work shall include new traffic signals standards, new signal heads, control equipment, street lighting, cable, conduit and appurtenances.

This project will be funded with streetlight utility funds. The engineer’s estimate was \$193,000 for SV 60. Bids will be received on April 12, 2021. The bid summary and project budget will be presented prior to the commission meeting.

Streetlights and Traffic Signal Project SV 60 traffic signal replacement was included in Public Works Service Operations 2021 CIP with a total budget of \$ \$245,600.00.
