

## Finance Department

**DATE:** April 23, 2024

**FROM:** Dmitriy Chernyak, Finance Director

**ITEM:** Special Assessment Commission Member Appointment

**REQUEST:**

Appoint Mason Sisk to the City's Special Assessment Commission.

**BACKGROUND INFORMATION:**

The City requested applications to replace a resigned member's term and would like to appoint Mason Sisk as the volunteer candidate for the City's Special Assessments Commission for a one-year term. The Special Assessments Commission is a three-member board that verifies that special assessments are spread fairly among properties, not whether work should be performed. City staff believes that Mason would be a valuable addition to the City's Special Assessments Commission.

**RECOMMENDED CITY COMMISSION ACTION:**

Approve the appointment of Mason Sisk to the Special Assessments Commission for the remainder of a vacated position for a term expiring April 2025.
