

2021 TRUCK & DELIVERY ROUTES

February 24, 2021
(Revised 04/16/2021)

Any vehicle with an actual or registered gross vehicle weight of 10,000 lbs or more must use designated truck or delivery routes as provided in the city ordinance.

NON-TRUCK ROUTE STREETS: Trucks may travel off of these designated truck and delivery routes only to reach or leave a destination with the shortest possible distance of travel on an undesignated route.

LOCAL DELIVER & PICKUP Trucks used for home delivery and pickup must use truck routes except when actually making deliveries or pickups. Designated delivery routes as shown on map. Travel between delivery or pickup sites must utilize truck routes when this will reduce travel on non-truck routes streets.

LOAD RESTRICTED ROUTES: Several streets are limited year-round to 6-Ton Load Restrictions. No vehicles on these routes may exceed the 6-Ton Load Limits regardless of destination. These streets are: Country West Road from Clydesdale Drive to Century Avenue; Century Avenue from Yorktown Drive to Kost Drive; Airway Avenue from Airport Road to Northern Plains Dr.; 43rd Ave. from 500 feet east of State Street to N. 26th Street; Burnt Boat drive from Grandview Lane to Clairmont Road; Ash Coulee Dr. from Ash Coulee Water Tower to NW 15th St.

All restricted routes are signed. The City of Bismarck reserves the right to change or establish additional load restrictions on city streets as deemed necessary.

6-TON :

- Maximum Load Per Single Axle: ----- 12,000 lbs
- Maximum Load Tandem Axles: ----- 24,000 lbs
- Maximum Load Per Axle, group of Three or More ----- 30,000 lbs
- Maximum Gross Weight ----- 80,000 lbs
