

**BISMARCK-MANDAN METROPOLITAN PLANNING ORGANIZATION POLICY BOARD AMENDMENT TO THE 2019-2020 ANNUAL UNIFIED PLANNING WORK PROGRAM (UPWP)**

DATE: December 18, 2018

REGARDING: Amendment to the 2019-2020 UPWP to transfer funding from FY 2018 of 2017-2018 UPWP into funding for 2019.

It is projected that \$20,000 of budget from the US Highway 83 Alternatives Study will not be used in 2018 but will be used in the continuation of the study in 2019. Therefore, the MPO wishes to carry-over remaining funding from 2018 into 2019 to help fund the study completion in 2019. The funding will transfer \$20,000 of funding from task 204 in the 2018 year of the 2017-2018 UPWP into task 204 of the 2019 year of the 2019-2020 UPWP.

On December 18, 2018 the Bismarck-Mandan Metropolitan Planning Organization (MPO) Policy Board approved the funding transfer of funding from 2018 into 2019.
