ADDENDUM NO. 1

CITY OF BISMARCK PUBLIC WORKS
FOR
ARTICULATED MOTOR GRADER

The following revisions will constitute Addendum No. 1 to the Bid Specification for One (1) Current Year or Newer Heavy-Duty All-Wheel Drive Articulated Motor Grader:

FINAL DRIVE & DIFFERENTIALS

The differentials shall be equipped with operator-controlled lock and unlock Michelin Snow Plus Radial snow tires ~~with chloride~~, size 14.0 R24

Front and rear fenders mounted on machine

CAB

* * *

Adjustable steering wheel

* * *

Back-up camera and monitor that automatically activates when machine is placed in reverse gear

WARRANTY

* * *

Telematics with 10-year subscription to provide continuous machine condition monitoring with email notifications

This addendum shall become a part of the plans and specifications and its receipt acknowledged on the envelope containing the proposal and shall be attached to the proposal. From time to time, it may be necessary to issue addenda to the project plans and specifications prior to the bid opening.

Due to discrepancies with addendum acknowledgement on previous projects, the CONTRACTOR shall also include on the outside of the bid envelope the name and telephone number of a person to be contacted in the event of a submitted bid package irregularity. The indicated individual should be available between receipt of bid and the opening should a question arise. Failure to resolve a submittal irregularity may result in the rejection of the bid package as submitted according to the City of Bismarck Board of City Commissioners' instructions and at their discretion.

Dated this 11th day of September, 2019.		Please acknowledge receipt of this addendum by returning a signed fax to either fax (701.221.6840) or email kbohrer@bismarcknd.gov .
