COVID-19 RECOMMENDATIONS

Everyone has an individual responsibility for the health and safety of our community during this COVID-19 pandemic.

- Wash Your Hands Often
- Stay home and avoid all non-essential travel
- Avoid touching your face
- Cover coughs and sneezes
- Wear a cloth mask
 - The [CDC recommends](#) wearing cloth face coverings in public settings where other social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies). Cloth face coverings should not be placed on young children younger than 2 years of age, anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove the cover without assistance.
- Clean and disinfect surfaces
- Keep physical distance and avoid gatherings

BISMARCK-BURLEIGH PUBLIC HEALTH (BBPH) UPDATE

We are seeing a few of the test results come in from Saturday's community testing event, but many tests are still back-logged at the state lab. We had a total of 9 new cases in Burleigh County today which is the highest number of cases since March 19th when we had 9 cases. We will likely continue to see positive cases this week due to the increased amount of

testing being done in the community and in long term care facilities. Morton County also had 9 new cases today which is their highest number of positive cases in one day to date.
