

# Sunset Drive Corridor Study

**Your input  
is needed!**

The Bismarck-Mandan Metropolitan Planning Organization along with the City of Mandan are studying Sunset Drive in Mandan for potential traffic and safety improvements.

The corridor serves as a major route to schools, restaurants, hotels, shopping, and other businesses, and is vital to the growth and expansion of the City of Mandan. To meet the safety and transportation needs of area residents and businesses, the public is invited to provide input and share your thoughts to help guide potential improvement options along Sunset Drive.

The area being studied extends along Sunset Drive from Division Street (Braves Center) to 38th Street (past Mandan Middle School).
