

Alcohol Server Training

It is recommended businesses with liquor and alcohol permits educate their staff with North Dakota law to help detect and deter underage alcohol use. Alcohol Training gives you the skills, knowledge and certification you need to be a proficient alcohol server. This course will cover many areas including teaching the proper procedure when dealing with an underage person attempting to purchase alcohol.

For more information or to schedule alcohol server training, call the Crime Prevention/Community Services Section at (701) 223-1212.
