

Alcohol/Narcotics

This presentation covers a variety of drug and alcohol awareness topics including the recognition of illegal substances. The course includes basic information for parents about the most widely abused substances among youth, including alcohol, marijuana and prescription drugs. It also educates students about the serious impact that drugs and alcohol can have on their lives.

For more information or to schedule a presentation, call the Crime Prevention/Community Services Section at (701) 223-1212.
