

### **Police Department Tour**

This is a favorite of grade school teachers, day care supervisors and civic groups. With an appointment, groups are taken on a tour of the Law Enforcement Center. The guide is a police officer, in uniform, who explains the various locations and functions of the center. Children especially like the tours and this is an excellent opportunity for law enforcement to have a favorable effect on them.

For more information or to schedule a presentation, call the Crime Prevention/Community Services Section at (701) 223-1212.
