FOR IMMEDIATE RELEASE:

Bismarck Veterans Memorial Public Library presents *Thinking Money for Kids* Kickoff

WHAT:

Join in for a kickoff event for *Thinking Money for Kids*, a traveling exhibition designed to teach kids and their families about money. The interactive exhibit, designed for children ages 7 to 11, uses games, activities and a fun storyline to help children understand what money is, its function in society, money choices, and money values, such as fairness, responsibility and charitableness.

We will have create-your-own piggy banks to hand out to all young attendees, with coloring supplies available to use on-site. Local Cub Scouts from Pioneer Pack 1 will be on hand to assist with the festivities of the day.

A featured activity will be a special version of the **Price Is Right**[®] game *It's in the Bag* at 10:30 a.m. This fun experience will be hosted by Girl Scout Media Team member and 2021 Young Entrepreneur of the Year, Arabella Archambault, along with her mom. Prizes will be awarded to winning participants. Only youth ages 7-11 are eligible to play, but all ages are welcome to participate as audience members.

No preregistration is necessary - just come on down!

Thinking Money for Kids was developed by the **American Library Association Public Programs Office** in collaboration with the **FINRA Investor Education Foundation**, whose support made this exhibition possible.

WHEN:

Saturday, July 16, 2022 • 10:00 a.m. to Noon

WHO:
