

Bismarck Veterans Memorial Public Library

March 17, 2020

MEDIA ADVISORY

FOR IMMEDIATE RELEASE:

Library Suspending Programs and Meeting Room Usage

WHAT:

Starting Wednesday, March 18, 2020, Bismarck Veterans Memorial Public Library will suspend Library programs and meeting room usage indefinitely, based on recommendations from the Center for Disease Control and City of Bismarck Public Health Director regarding COVID-19. Individuals who have pre-paid their meeting room reservations have the option of being refunded or donating the fee to the Library.

At this time, the Library will remain open to the public. The Library is striving to provide as safe an environment as possible for the public, employees, and volunteers. In addition to our regular cleaning procedures, we are increasing cleaning of all public and employee areas with EPA-registered disinfectant for use against human coronavirus. We also have hand sanitizer dispensers available at all public access points.

The Library requests that individuals who are ill, coughing, and/or have a fever refrain from visiting the Library and follow recommendations to self-quarantine.

If you have any questions regarding Library services, please contact Library Director Christine Kujawa at 701-355-1480
