REMODEL 900 SQ EXISTING OFFICE SPACE

Remodel of approximately 900sf of existing shell space to office space on the first floor of the Prince Building. Space will consist of two dedicated offices, one conference room, one ADA accessible restroom and open flex space. HVAC unit that will service this space is existing and is located directly adjacent to the space on the second floor. Electrical work will consist of lighting, convenience outlets and low voltage for data. Existing fire sprinklers and alarm will be modified to accommodate the new layout. Window screening will be installed for privacy. Low occupancy (less than 8).

Absolute Flourish LLC notes

Absolute Flourish LLC,  
I plan on using part of the shop space that is attached to my garage and will be separated from the main garage space by a door. The structure is already existing. I will be using it for one on one client appointments for in-person Reiki energy healing. The space has its own outside door for my clients to enter the space.

Hi Sandra - received notification today that site will not be moving forward.

Could you please cancel/closeout attached permit issued for site?

We are not looking for refund on permit fee paid back in February.

Thank you,

Emily Notch
